

Practical Information about accommodation

Destination: Centrum Biotechnologii, Silesian University of Technology, ul. Krzywoustego 8, Gliwice

Best way to get there

The easiest public-transport option is the direct metropolitan bus connection between Katowice Airport and Gliwice. Official airport and ZTM pages list direct airport lines from Gliwice, including M1 or M14 which operate with buses around every 60 minutes on weekdays and every 120 minutes on weekends and holidays. For a one-way ride, current ZTM paper ticket prices are 5.20 PLN for 40 minutes and 6.60 PLN for 120 minutes (electronic tickets are also available).

If you prefer train, "Pyrzowice Lotnisko" station is about 500 metres from the terminal and is connected by walkway. From Katowice are direct S14 lines to Gliwice on weekdays, while S9 also serves the airport station.

This is a good option when the timetable matches your flight, but the bus is usually the more flexible choice for early or late arrivals and weekend travel.
